Let's roll - E-sports bag for LAN parties and more.

Are you ready for the game? E-Sport is becoming more and more popular. And LAN parties all have one thing in common: They take their personal infrastructure along. Thanks to the new, revolutionary E-sports bag from DICOTA you mobilize your desktop computer and enjoy the maximum of protection, which it deserves. The adjustable straps fasten your flat screen (up to 20" widescreen) safely to your computer. The monitor is additionally protected from scratches with extra padding. The rest of the gaming equipment fits easily into the spacious outer compartments, as in the special gamers' keyboard pocket. DICOTA has thought of everything!

Due to the high-class polyester in combination with the large, easy-going wheels, transportation is mere child's play and thanks to the comfortable carry handles you always have a grip on your expensive equipment.

The cool and trendy design ensures that your co-players are already in awe before the game has even started.

Carrying was yesterday– Let's roll now!
